About me

I'm Antoine FAURE, a third-year student at the CESI engineering school in computer science. Passionate about tech, I'm interested in all its aspects. I'm always eager to learn and take on new challenges. I'm looking forward to continuing my career in IT to develop my skills and knowledge.

Hobbies

Swimming: 7 years with a club
Piano: 5 years of practice
Badminton: 4 years with a club
Volleyball: 1 year leisure
FPV Drone: 1 year piloting

Formation

CESI Engineering School 2021 – Today

CESI is an engineering school, and I chose to focus on IT, which enabled me to learn the fundamentals of IT, as well as those of project management.

General Baccalaureate 2021

Albert Camus High School
Specialties:
- Mathematics
- Numerical and Computer Sciences
- Physics-Chemistry (11th Grade Only)

Experience

Internship at DesJoyaux Pools 2023

End-of-second-year internship at CESI, I did this internship in the IT department of Piscines DesJoyaux with the aim of discovering the business world. I was able to acquire a lot of new skills, such as learning to use Flutter, Firebase, Salesforce and Node.js

Vice-Chairman of the STUDENTS' OFFICE 2022 – 2023

Event organization (parties, sports events, etc.), administrative management (insurance, security, etc.), the students' office cafeteria management (sales, stock management, maintenance of the students' office premises, etc.).

Skills

Technical

Web: NodeJS – PHP – Flutter – Svelte – PWA – Firebase – Figma
Database: MySQL – SQL Server
System Admin: Linux – Docker – PowerShell
Network: CCNA1
Development: Python – Salesforce – Arduino – C – C++ – C#

Soft Skills

Teamwork
Autonomous
Curiosity
Rigor
Creativity

Languages

Mother tongue: French
Technical English (TOEIC : 880/990)
