Education

CESI Engineering School 2021 – Today

CESI is an engineering school, and I chose to focus on IT, which enabled me to learn the fundamentals of IT, as well as those of project management.

General Baccalaureate 2021

Albert Camus High School
Specialties:
- Mathematics
- Numerical and Computer Sciences
- Physics-Chemistry (11th Grade Only)

Experience

2024 - Internship – UPT Romania

2nd year engineering internship abroad
Skills: Flutter, Hardware, Bluetooth
Project: Implementation of Bluetooth connection persistence between a Flutter app and an air quality sensor.

2024 - Internship – TechLab de l'école des Mines

1st year laboratory internship in my engineering cycle
Skills: Web development, Arduino, Svelte, Node.Js, Docker, Generative AI
Projects: Authentication page, Implementation of Generative AI tools, Practical work on Renewable Energies

2023 - Internship – DesJoyaux Pools

2nd year of my preparatory cycle internship in the IT department at Piscines DesJoyaux
Skills: Flutter, Salesforce, Firebase, Node.Js
Project: Creation of a documentation site for internal tools
